Dear Virginia,

Thank you for your lovely letter. It is I who ought to be thanking you for an opportunity to serve God's purposes in the world. I deeply respect the work your foundation is doing and want to echo Guru Maa's appreciation of the excellent questions you had prepared. I believe your husband wrote them, so please thank him for me.

FiP will send you a check under separate cover for the 3/4 inch tape, and I am enclosing my own for \$33 for the 1/2 inch tape. would you please send it to me at:

54 Crestview Drive

I look forward immensely to seeing you and everyone at the Embrace Foundation again soon.

Warmly,

Mary Ford-Grabowsky
