Dear Ajata and Virginia:

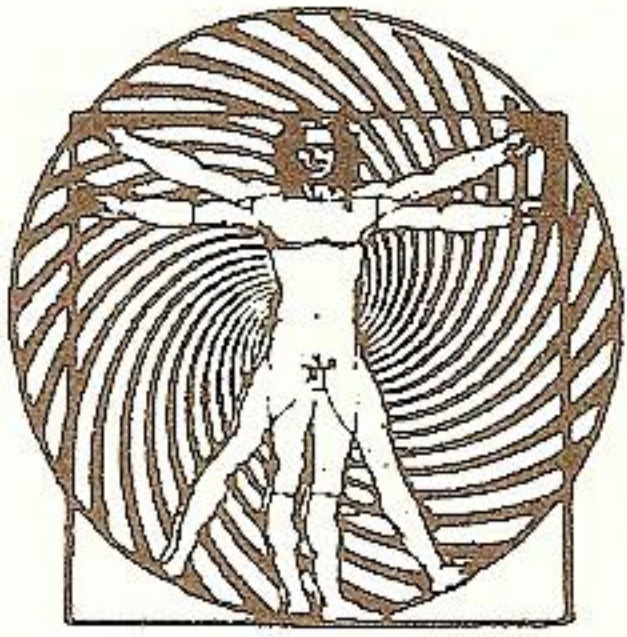

I was much moved by your lovely letter with its word of appreciation of my statement at the International Press Conference and your invitation to serve as an Honorary Member of the Advisory and Lecture Board at Embrace. I shall be happy to do so.

Yes, I do know Elizabeth Cattell of the Society of Friends. I am glad that she has made contact with you and is writing the story about the press conference. She is a woman of deep commitment and concern.

It was very good to meet you both at the conference. I shall look forward to keeping in touch with you.

Faithfully yours,

John Jungburt

Dear Friends:

Thank you so much for your gracious note of November 14. I look forward to serving as an Honorary Member of the Embrace Advisory and Lecture Board.

It was thoughtful of you to send me the picture from the press conference. I look forward to receiving the others as well.

I should be interested to see copies of what the Press did with the opportunity.

Faithfully yours,

John
