Dear Ms. Virginia D. Birdsall,

Thank you very much for your having sent me 400 names of religious leaders, spiritual leaders and scholars around the world. Needless to say that these names will be of great help to me. As a matter of fact, I needed them very badly. I express my deep gratitude to you for all the trouble you underwent in collecting these names and compiling them alphabetically according to their religions for me. I hope you have received my letters sent to you after my New York visit. I once again request you to include Jaipur in your itinerary during your visit to India. The response to my invitations ~~of~~ the December Conference is most encouraging. I look forward to your active support. Give my regards to Mr. Ajata N. Sharma, Ms. Anne-Stuart Hamilton and Stuart Hamilton. Mrs. Lunia is now in Jaipur and has spoken to me about your second visit to her house. So nice of you to continue the contact. I enclose a set of papers containing information on agenda, travel, accommodation etc.

Thanking you,

Yours sincerely,

  
(S.L. GANDHI)
